Effective Alternative Relief & Support with NutraRx

NutraRx offers an innovative line of professional only nutraceutical products for musculoskeletal comfort, improved energy and digestive health. Used in conjunction with your treatment modality, NutraRx can help your patients achieve greater health and lasting success.

Inflammation Aids

JointX Pro™

Formulated specifically for patients seeking a natural alternative for joint and cartilage health, JointX Pro is designed to maintain health and mobility in the muscular-skeletal system without the risk of side effects. Both *in vivo* and *in vitro* double blind clinical trials have provided strong support for the anti-inflammatory properties of the ingredients in JointX Pro, with demonstrated reduction in uric acid and leukotriene levels. Strong clinical evidence demonstrates that one ingredient in particular, Glucosamine sulphate, assists in the repair and rebuilding of cartilage.*

Inflam Dr.™

Specifically formulated for the treatment of acute and chronic joint and muscle inflammation, Inflam Dr. is especially beneficial for patients with arthritis as well as sports-related inflammation and pain. Inflam Dr. is a homeopathic formula and all ingredients are monographed in the Homeopathic Pharmacopeia of the United States (HPUS).

Migra-Rx™

Migra-Rx has been formulated in conjunction with a Clinical Psychologist to assist in support of the circulatory system, liver and nervous system to discourage common nervous tension for clear-headed comfort. With proven anti-inflammatory properties, the ingredients in Migra-Rx work synergistically for effective clear-headed comfort by promoting relaxation, healthy platelet functioning and reducing inflammatory compounds. Combined with powerful anti-oxidants that support the liver at a cellular level, overall systemic health is supported. Migra-Rx supports the ability to effectively deal with stress and tension.*

SciatiX Pro™

SciatiX Pro is a compound remedy formulated specifically to provide support for the lower back, spine, and nervous system comfort and health. With ingredients chosen for their anti-inflammatory effects, SciatiX Pro contains ingredients proven for efficacy for nerve and sciatica health.*

Inflammation Aids (continued)

Arnica Pain & Healing Complex™

As a homeopathic formula to temporarily reduce bruising and swelling, Arnica Pain & Healing Complex supports healing and recovery in patients post-operatively and after physical injury. The proven anti-inflammatory and analgesic effects of Arnica Pain & Healing Complex help reduce pain and discomfort and shorten recovery time. Due to the homeopathic preparation, this product is safe for use in all ages, during pregnancy, and may be safely combined with prescription medication.

Massage Oils

TheraHeal Massage Oil™

With a blend of pure therapeutic grade aromatherapy oils, TheraHeal Massage Oil is intended for professional massage therapy. TheraHeal Massage Oil contains aromatic oils chosen for their soothing and restorative properties. TheraHeal Massage Oil may be used in a wide range of situations for the ultimate massage experience.

Digestive Aids

ClearColon Assist™

Formulated to provide nutritional support for the lower digestive tract to promote detoxification and cleansing, ClearColon Assist is specifically designed for use prior to colonoscopy and colonic irrigation. ClearColon Assist may also be used to maintain bowel regularity, as it has great cathartic and purgative properties and promotes peristalsis. It is safe even for geriatric use.

Digest-Able™

Digest-Able is a homeopathic remedy containing a selection of three biochemical tissue salts with a strong affinity for the promotion of digestive and hepatic health. With both acute and prophylactic applications, Digest-Able is designed to alleviate indigestion-related upset such as burning, pain and acidity, thus reducing inflammation of the gastro-intestinal mucosa while preventing cramping and acting as an effective antispasmodic. Due to its homeopathic preparation, Digest-Able is safe for use in all ages, for use during pregnancy, and may be safely combined with prescription medication.

GI Herbal Health Complex™

Formulated to provide systemic support for the digestive system, GI Herbal Health Complex is specifically designed to encourage healthy digestion by promoting a healthy inflammation response. GI Herbal Health Complex also improves digestive comfort and functioning, plus contains ingredients well-known for their anti-oxidant properties – thereby providing free radical protection for the digestive system.*

RefluX Pro™

As a homeopathic remedy, RefluX Pro combines classic homeopathic ingredients with biochemical tissue salts formulated for the short-term relief of acute acid reflux, acid reflux, dyspepsia, belching and digestive discomfort after meals. Due to its homeopathic preparation, RefluX Pro is safe for use in all ages, during pregnancy, and may be safely combined with prescription medication.
