

SciatiX Pro™

Nutritional support for the spine and nervous system to promote nerve health & comfort*

Primary Applications*

- Provides anti-inflammatory support
- Acts as an effective spasmolytic
- Acts as a nervous system tonic
- Soothes and supports the lower back
- Improves back and spinal canal health
- Promotes joint and muscular-skeletal mobility

What is SciatiX Pro?

SciatiX Pro is a compound remedy formulated specifically to provide support for the lower back, spine, and nervous system comfort and health.*

Ingredients

Southern prickly ash (*Zanthoxylum clava-herculis*)

A highly effective and soothing circulatory system and nervous system tonic.*

Chamomile (*Matricaria chamomilla*)

With a variety of uses, Chamomile has been included as it is a general tonic for the nervous system and is often used to soothe the back. Studies have suggested that the mechanism of action involves activation of the pituitary-adrenal system to release cortisone. While several constituents of Chamomile have been studied for their anti-inflammatory effects, results strongly suggest that whole extracts are more effective than isolated constituents – highlighting the benefits of Full Spectrum™ extraction, a hallmark of NutraRx manufacturing.*

Burdock (*Arctium lappa*)

The anti-inflammatory action of Burdock are believed to be attributed to its antioxidant properties.

Supplement Facts

Serving Size 15 drops
Servings Per Container 97
Herb strength ratio: 1:10

Amount Per Serving		% DV
Southern prickly ash (<i>Zanthoxylum clava-herculis</i>)(bark)	.10ml	†
Chamomile (<i>Matricaria chamomilla</i>) (flower)	.10ml	†
Burdock (<i>Arctium lappa</i>)(root)	.10ml	†
Devil's claw (<i>Harpagophytum procumbens</i>) (secondary root tuber)	.10ml	†
Rhus tox (30C)	.5ml	†
Colocynthis (30C)	.5ml	†

† Daily Value (DV) not established.

Other Ingredients: 60% of ethanol

Directions: Acute: Mix 5 drops in ¼ cup water and take every 30 minutes until symptoms subside (up to 10 doses). Thereafter, mix 10-15 drops in ¼ cup water and take 3 times daily. Caution: Safety during pregnancy and breastfeeding not established.

Ingredients (continued)

Harmful oxygen species such as superoxide radical and hydroxyl radical have been implicated in the inflammation process. These properties make Burdock an excellent herb for soothing the sciatic nerve and the spinal column.*

Devil's claw (*Harpagophytum procumbens*)

Devil's Claw is principally used as an anti-inflammatory with numerous studies supporting its clinical efficacy, including numerous randomized and placebo controlled double blind trials. In vitro studies suggest that one of the mechanisms of action is via COX-2 inhibition. Devil's Claw is widely used for joint and nerve health.*

Rhus tox (30C)

Is a homeopathic remedy for the relief of back pain, general aches and pains. Rhus tox is widely used for back pain and stiffness, including trauma from lifting heavy loads and bruising or sprains. This remedy is also indicated for temporary joint and muscle ailments, sciatic health and neck stiffness, and is officially monographed in the Homeopathic Pharmacopeia of the United States (HPUS).

Colocynthis (30C)

This homeopathic remedy has proven efficacy for nerve and sciatica health, and is also officially monographed in the Homeopathic Pharmacopeia of the United States (HPUS).

For Optimum Results

SciatiX Pro works quickly and an initial response should be apparent within minutes. In some cases the recommended dosage may need to be repeated 2-3 times before improvement is noted. Continued improvement can be noticed with regular use.
